

# YOUR DESIGN BOX

Welcome to the **Design Box**; the service that takes your design vision and streamlines it into a simple, easy to implement box.

This gives you a customized plan that is ready when you are. A plan with the flexibility to complete your project as your time and budget allow.

## Who is the DIY YDP Design Box ideal for?

- Anyone who desires professional intervention to pull a look or mood together
- Anyone who needs a nudge and wants to be taken out of his or her “comfort zones”
- Those without time constraints and want to complete the design plan independently
- Those who prefer a step-by-step layout to help guide the design process
- Those who need solutions for color, layout and proper scale guidance
- Those who desire a user - friendly approach to assist them
- Anyone seeking a more affordable option and wants to avoid the uncertainty of hourly interior design fees.

## What does the DIY Design Box include?

- Your personalized design concept board
- Furniture layout recommendations
- Paint color selections
- Quick Tips for your project
- Furniture specs and recommendations
- Custom upholstery and drapery specs
- Fabric swatches
- Scheduled appointment to take room measurements

## How does the fee structure work?
